SAFETY ALWAYS
In placing money at interest,
safety of principal should be con-
sidered first, last and all the time.
It is of little value to you to draw a high
rate of interest for a few months and then
find that your principal is endangered.

Jonah Kuhio Kalaniana'ole lost \$33
to the government in Washington, D.
C., last week when a collector of re-
venue deducted that amount from his
salary as delegate to Congress from
Hawaii for income tax, according to a
story which has reached Honolulu
from the national capital. But Kuhio
was not the only one to be "touched"
by the government, the story goes, for
three or four hundred members of the
house of representatives, and some
three score United States senators
found that their salaries had been
deducted accordingly when they applied
to the sergeants-at-arms of the two
houses for their salaries and mileage
warrants.

**APPOINTMENT
RAISES QUESTION
OF ELIGIBILITY**
The appointment of Otto Heine as
second deputy to the United States
marshal, it was pointed out by federal
officials this morning, has raised an
interesting point as to whether a
member of a federal grand jury may
be appointed to a public office with-
out having first been excused from
grand jury duty by the court.
Mr. Heine was among the eight spe-
cial veniremen selected by the mar-
shal when that official was called
upon recently to fill out the grand
jury for the October term of the fed-
eral court. He was said today to be a
Democrat, although at the time the
special venire was completed by the
marshal the marshal stated that, as a
matter of fact, he had chosen eight
Republicans. The marshal made this
statement following an attack made
upon him by certain Paunahi street De-
mocrats who, the marshal claimed, were
peevish because he had not selected
certain Democrats who, at that time,
needed work.
However, as it has been announced
that Mr. Heine will not officially en-
ter into his new duties until January 1, it
is expected he will request the court
to excuse him from further grand
jury duty before that time.

**SHU SHIN IS FOUND
GUILTY OF MURDER IN
THE SECOND DEGREE**
After deliberating an hour a jury in
Circuit Judge Ashford's court yester-
day afternoon found Shu Shin, a Chi-
nese, guilty of manslaughter in the
second degree for the killing of a
countryman on the evening of Septem-
ber 18. Shu Shin was indicted for
first-degree murder. He was given a
sentence of 5 years' imprisonment,
with parole permitted.
The evidence tended to show that
Shu Shin struck partly in self-defense
in a petty row that started as a joke,
and that the knife, passed between the
victim's arm and body, severing an
artery in the arm that caused him to
die from loss of blood.

**CHRISTMAS CAROLS NOT
TO BE MISSED THIS YEAR**
Largely through the efforts of Miss
Jane Winne, who last year success-
fully conducted a program of carol sing-
ing Christmas eve, plans are being
made for a concert on the night of
December 25 under the auspices of the
Hawaiian Band, of which Kapellmeister
Henri Berger is leader. One of
the features of the program will be
Madame Alana's singing from the
roof of the capitol, the band playing
the accompaniment while situated on
the upper lanai.
Miss Winne further has stated that
while it probably will be impossible
to secure the services of the school
children this year because of the need
of a leader, all carol singers gather
together and tour the city in automo-
biles.
